## **FOREST RIVER ADVENTURE PROGRAM**

Dear Parents,

Thank you so much for participating in this year's Forest River Adventure Program. Our program offers a safe, fun and nurturing environment for your child. Daily activities will include crafts, sports and games, water play, exploration, science and much more! Through physical, mental and sometimes very creative play, your child will have an amazing summer experience. Please note that the pool will be closed for renovations this summer. Children will have the opportunity to participate in water play, visits to the Mary Jane Lee Splash Pad and potential beach trips. Parents will be notified of any offsite activities.

Attached, please find all of the necessary information for you and your child on our program. Included in this packet is an information sheet which hopefully answers all your questions. Please feel free to contact us should you have any additional questions or concerns. Also in this packet you will find a required registration form and a sunscreen waiver. Please fill these out completely and get back to us at least two weeks prior to the program date. All payments for the program must be paid in full prior to the week your child is attending. If you have any concerns regarding payment, please let me know.

Kathy McCarthy  
Program Manager
