FOREST RIVER ADVENTURE PROGRAM

Dear Parents,

Thank you so much for participating in this year's Forest River Adventure Program. Our program offers a safe, fun and nurturing environment for your child. Daily activities will include crafts, sports and games, water play, exploration, science and much more! Through physical, mental and sometimes very creative play, your child will have an amazing summer experience.

Please note that the pool will be closed this summer. We will have YMCA lifeguards at the Forest River Beach for supervised swim. All children will need to take a swim test. Tests will be held each Monday. If your child does not pass the swim test, they will be required to wear a life jacket. Life jackets will be provided.

Parents will receive a weekly notices throughout the summer letting you know of special events, off site activities and potential schedule changes.

Attached, please find all the necessary information for you and your child on our program. Included in this packet is an information sheet which hopefully answers all your questions. Please feel free to contact us should you have any additional questions or concerns. Also, in this packet you will find a required registration form and a sunscreen waiver. Please fill these out completely and get back to us at least two weeks prior to the program date. All payments for the program must be paid in full prior to the week your child is attending. If you have any concerns regarding payment, please let us know.
